5TH ANNUAL CONFERENCE OF ENDOCRINE SOCIETY OF TAMIL NADU AND PUDUCHERRY

Dear Colleague,

Warm greetings from Chennai.

It is our proud privilege and pleasure to invite you to **TRENDO 2017**, 5th Annual Conference of the Endocrine Society of Tamilnadu and Puducherry to be held on July 22nd & 23rd 2017 at ITC Grand Chola, Chennai. As you are aware, the field of Endocrinology and Diabetes is rapidly advancing and it would not be an exaggeration to say that it is a challenge to keep oneself updated with latest developments. On behalf of the organizing committee, we promise that **TRENDO 2017** would definitely help you face this challenge, with meticulously planned scientific sessions covering all clinically relevant domains of diabetes and endocrinology with a right mixture of plenary lectures, interactive clinical case discussions and debates. We have invited exemplary luminaries in the field from both India and abroad to make sure that every session would provide an unbiased opinion on the topic that would be highly valuable and practical. Poster and free paper presentation sessions are included to encourage research and participation of postgraduates and physicians with interest. We also have an exclusive symposium in collaboration with OGSSI – Endocrinology and Women's Health.

The conference is held at ITC Grand Chola in the heart of Chennai and we expect around 1500 to 1800 delegates comprising of Physicians, Diabetologists, Gynaecologists and General practitioners. The organizing committee will take maximum effort to make **TRENDO 2017** a memorable event for scientific content and hospitality.

Once again, we are glad to welcome you to **TRENDO 2017**. Please do not hesitate to contact us or any of the team members for any queries regarding the meeting or your participation.

Best Wishes and Regards

Dr. Shriram Mahadevan (Organizing Secretary)
Dr. Muthukumar Jeyapaul (Co-Organizing Secretary)

The Endocrine Society - Tamil Nadu and Puducherry

The Endocrine Society of Tamil Nadu and Puducherry was formed in 2013 with a view to spread awareness about the specialty to the public and to fulfill the need for a state level organization for the specialty. The aims of the Society are to unite all practicing physician endocrinologists qualified and trained or otherwise interested to work for the cause of Endocrinology and subjects with Endocrine disorders. The other aims are to propagate recent developments in the endocrine science through periodic conduct of conferences and publish journals, newsletters or guidelines. To publish books for lay public, under and post graduate medical students and others.

TRENDO 2017 will represent the **5th Annual meeting of the Endocrine Society of Tamil Nadu and Puducherry**. It is conducted with a view to spread up to date evidence based knowledge in Endocrinology & Diabetes to Physicians, specialists with allied interest such as Gynecologists and Pediatricians and general practitioners.
