6<sup>th</sup> Annual Conference of Endocrine Society  
of Tamil Nadu and Puducherry

Dear All,

Greetings to you, On behalf of the organizing committee **TRENDO 2018**, we take immense pleasure in inviting you to the 6th annual conference of the Endocrine society of Tamilnadu and Puducherry to be held **on July 7<sup>th</sup> and 8<sup>th</sup>, 2018 at Hotel Radisson, Salem.**

Salem is the fifth largest city in Tamilnadu and the most livable city in India. The name 'Salem' is derived from Shalya, which refers to the country surrounded by hills. Salem is also called as the 'Mango city' and 'Steel city'. Salem is well connected with rest of the state and has many tourist attractions in and around the city- Yercaud hills, Sri Kailasanathar temple, Sri Kodandapani Ramar Temple, Mettur Dam, Kolli hills, Hoggenekkal, Koduveri and many more.

TRENDO 2018 is combinedly organised by Salem and Trichy Endocrine team. This year, we are also co-sponsored by the "**Diabetes Association of Salem**", an organisation well known in Salem and its suburban localities for actively improving diabetes care.

TRENDO has established a benchmark with its scientific content, unbiased opinion and is been widely appreciated for the way it has been conducted over the past years. TRENDO 2018 will address latest updates, emerging concepts, clinical applications and controversies in diabetes, obesity, thyroid disorders, gonadal dysfunction, pituitary disorders, metabolic bone disease and adrenal diseases. We have for you a mix of plenary sessions, lectures, workshops, symposia, clinical case seminars, debates, posters and oral presentations.

We have invited distinguished international faculties and eminent national faculties from different institutions across the country for this mega event.

There will be quiz programme for postgraduates around the state and marathon for medicos and pharma fraternity

We expect 1000 to 1300 delegates to attend this conference. General Practitioners, Physicians, Endocrinologists, Diabetologists, Pediatricians and Gynecologists will be benefited by this conference.

We hope that this will be an academic feast of great minds and hearts. We once again take the pleasure in welcoming you and wish to see you in TRENDO 2018.

Please do not hesitate to contact me or any member of our team in case of any query regarding the conference.

Best Wishes and Regards
