TREND0 2023

Dear friends & colleagues,

It gives us great pleasure to welcome and invite your participation in **TREND0 2023**, the 11th Annual Conference of the Endocrine Society of Tamilnadu and Puducherry to be held on 30th June, 1st & 2nd July 2023 in Chennai, India.

TREND0 has established itself as a renowned and premier Endocrine and Diabetes meeting and is extremely popular among endocrinologists, diabetologists, physicians, pediatricians, obstetricians and gynaecologists for its stellar scientific content with a practical and clinical application – based content. **TREND0 2023** is being planned as a Virtual International Speakers Symposium on 30th June 2023 and as a physical event at ITC Grand Chola, Chennai on 1st & 2nd July 2023 to reach out to all interested medical and allied fraternity participants.

The organizing team has meticulously planned scientific sessions covering all relevant domains of diabetes and endocrinology. Distinguished National & International faculties have been invited to deliver the best science in clinical practice. With an interactive format and diverse topics covered, the conference presents an ideal learning opportunity for all doctors and postgraduates.

We request you to join us in **TREND0 2023** and sincerely hope we can count on your support.

Best wishes and Regards
